

National Institute of Forensic Science
Register of Forensic Service Providers
Application Form

Return to:
National Institute of Forensic Science
PO Box 13075
Law Courts Post Office, Melbourne Vic 8010
Fax: (03) 9640-0709

Part 1 Contact Details

Name of Institution _____

Street Address _____

City/Suburb _____ **State** _____ **Post Code** _____

Postal Address _____

Telephone _____ **Facsimile** _____

E-mail Address _____

Web Address _____

Primary Contact _____

Position _____

Hourly Rate _____ **Average Turnaround Time** _____

Accreditation (What appropriate standards are you accredited to? E.g. ISO 17025, ISO 9000) _____

Professional Association (What appropriate professional bodies are you a member of?) _____

Part 2 - Forensic Science Services Provided

Please circle the category that best cover the activities and/or services you provide.

You may circle more than one category

You are recorded on the NIFS database as providers of the service/s indicated here and this is the information given out to inquirers. There is no implied accreditation or approval of the establishments or private practitioners included in the database.

Accident Evaluation	Cybercrime
Accident Investigation (Other)	Data Analysis (Computer)
Accident Investigation (Road)	Database Research
Accident Reconstruction	Deceased Persons Identification
Acoustic Advice (Audio Tape)	Disaster Victim Identification (D.V.I.)
Aircraft Crash Investigation	DNA Profiling
Anthropology/Osteology	Document Examination
Art Service	Drug Analysis
Audio Analysis	Drug Detection (Animals)
Audio Enhancement (inc. Voice/Speech)	Drug Detention by Animals
Audio Service & Processing (inc. Media Repair)	Drug Profiling
Ballistics Investigations	Electrical Accidents
Biological Material	Electrical Failure Advice
Bite Marks	Electrocution
Blood Alcohol/Drugs	Electro-Magnetic Interference Test
Blood Spatter	Electron Microscopy
Blood Typing & Grouping	Electronic Data Analysis
Bomb Scenes	Electronic Data Recovery
Botany	E-Mail Analysis/Tracing
Breathalyser Analysis	Engineering Simulation
Burial Site Examination	Entomology
Cannabis Certification	Explosive Residue Testing
Cannabis Stem Identification	Failure Analysis
Chemical Analysis	Fibre Identification/Comparison
Chemical Exposure Advice	Fingerprint Identification
Child Sexual And Physical Abuse	Fire Scene Examination
Clandestine Lab Investigation	Footprint Analysis
Clinical Forensic Medicine	Force Analysis
Corrosion Analysis	Forensic Accounting
Cranio-Facial Superimposition	Forensic Chemistry
Crime Scene Examination	Forensic Chemistry (Public Product Liability)
Crime Scene Photo & Video	Forensic Cleaning
Criminal Offence Evaluation	Forensic Pathology

National Institute of Forensic Science - Register of Forensic Service Providers

Forensic Psychiatry/Psychology
Fracture Analysis
Gas Analysis
Gemology
Geology Advice (General)
Glass Analysis
Gun Shot Residue (GSR) Testing
Hair Comparison
Handwriting Comparison
Humidity Testing
Image Processing/Enhancement
Immunology
Industrial Accidents
Ink Analysis
Light Globe Analysis
Linguistics
Lock & Key Examination
Lubricant Identification
Malicious Damage
Marine & Coastal Geology
Marine Biology
Materials Analysis
Materials Failures
Materials Testing
Measurement-Physical
Mech. Component Failure Analysis
Metallurgical Analysis
Meteorology
Metrology
Microbiology
Microscopy (Botany)
Microscopy (General)
Mineral Identification
Neutron Activation Analysis
Non-Destructive Testing
Oceanography
Odontology
Oil & Oil Spill Analysis
Organic & Inorganic Component Identification
Paint Analysis
Paper Analysis
Parasitology
Paternity Tests
Personal Accidents
Petrology
Pharmacokinetics
Pharmacology
Photogrammetry
Photographic Processing
Photography & Civil Law
Photography (Crime Scene - Offender Identification)
Physical Evidence Examination
Plant Material Identification
Podiatry/Chiropody
Printer Examination
Radiography (X-Rays)
Remote Sensing
Sedimentary Petrology
Serial Number Id & Recovery
Serology
Sexual Assault
Shoe Print Comparison & Identification
Site Investigation (Industrial)
Skeletal Remains (Age etc.)
Soil Analysis/Comparison
Statistical Modelling
Structural Failures
Sub-Surface Mapping
Surveying
Temperature Testing
Textile Damage (Cuts\Tears)
Textiles
Thief Traps (Camera/Video)
Thief Traps (Chemical/Dye)
Timber Identification (Inc. Cannabis Stem)
Toolmark Analysis
Toxicology
Trace Element Analysis
Trace Evidence Examination
Typewriter Examination/Comparison
Tyre Track Comparison & Identification
Urinary Drug Screens
Vehicle Identification
Vehicle Safety
Veterinary Pathology
Video Service & Processing
Visibility Testing
Voice Comparison
Wood Anatomy
Zoology
